

## Attachment IX

### Register of Deeds Technology Fund

During the 2002 Legislative Session, the Kansas Legislature enacted Senate Bill No. 564, which authorized the collection of certain fees and the creation of a technology fund for registers of deeds within the state of Kansas to provide certain technological improvements and enhancements. Collection of these additional fees began on July 1, 2002.

The Board of County Commissioners authorized the creation of the separate Technology Fund by passing resolution 042-02 on June 27, 2002.

Monies in the technology fund are to be used to acquire equipment and services for the storing, recording, archiving, retrieving, maintaining and handling of data recorded or stored in the office of the Register of Deeds. The Technology Fund enables the County to enhance its existing land records databases and other related technologies pertinent to the operation of the office of the Register of Deeds.

#### Financial Disclosure

	<b>Revenue</b>	<b>Expense</b>	<b>Balance</b>
